

COMING SOON TO A ROAD NEAR YOU...

UDOT WILL BE PERFORMING ROADWORK IN YOUR NEIGHBORHOOD. PLEASE PLAN AHEAD.

New Pavement and Seal Coat Is Being Applied Along 5400 South and 4700 South

WHAT: New pavement will be applied with a new seal coating to 5400 South and 4700 South. The new pavement will be applied along 5400 South from SR-111 to 5600 West and from 1900 West to I-15. The same treatment will be applied to 4700 South from I-215 West to 700 East.

Construction crews have scheduled lane closures beginning at Green Street and 5300 South to begin the week of April 18th.

WHO: UDOT Construction crews.

WHEN: Beginning late April and ending mid-June

WHERE: The commencement of the project will be at the intersection located at Green Street and 5300 South where crews will begin layering asphalt and re-paving the roadway surface Westward to 5600 West. Lane closures will occur from 8:00 am to 4:00 pm.

WHY: To create smoother and safer road conditions, and to extend the life of the roadway.

Please plan your commute and travel times accordingly, and expect delays. The roadway along 5400 South and 4700 South will be reduced to two lanes throughout the project.
